

Northgate School District

Northgate Middle/High School
Avalon Elementary Bellevue Elementary

August 29, 2013

Dear Parents and or Guardians of Elementary School Students,

The Food Service Department of the Northgate School District would like to offer the opportunity to make your busy life a little easier. It is a Elementary School custom to send in treats for your student's birthday. We are now offering the ability for you to purchase items through the Food Service Department and have the items delivered to the classroom on the "Birthday" morning. You will be invoiced and we will expect payment in advance.

Even though Birthday's are "special occasions", the following items offer nutritional benefits of being lower in fat and/or calories than comparable products and meet criteria for our wellness program. To order any Birthday snack item we will need the following from you:

- Notification via email to the Foodservice Office 1 full calendar week in advance to Jgriffin@northgate.k12.pa.us
- Student name, school, classroom teacher, room number and the number of students/adults in classroom
- Item chosen for treat (see attached listing) (if ice-cream is chosen, it will be delivered to the classroom at 1:30 PM by the Food Service Personnel). The Food Service Personnel will also inform the classroom teacher the day before the scheduled Birthday delivery.

Any questions, please call the Food Service Department office at 412-732-3300 ext 1009.

Sincerely,

Julianne Griffin
Food Service Director
Sodexo Service
