Enhancing the Learning Environment by Providing Student Well-Being Solutions

SodexoMyWay.com - the comprehensive solution for your school's nutrition website to keep students and parents updated on information about student well-being.

Sodexo, the company enhancing a healthy learning environment in support of student well-being and achievement for your school district, has launched an interactive new website for the community, parents and students. This new tool, known as SodexoMyWay, will replace the prior Sodexo Education website.

What does this new tool mean for you? SodexoMyWay offers a platform for the community to stay informed and will enhance the learning environment with robust content that updates monthly. Resources include menus, national news relevant to student nutrition, local community news, featured videos, student well-being information and accessibility to your child's nutrition team and the national director of wellness.

The screenshot shows the SodexoMyWay Nutrition Solutions website interface. The main header includes the Sodexo MyWay logo and navigation links: Sign In or Register, Customer Service, and Home. The main navigation bar lists: Menus, Meal Assistance, Pay Online, Student Well-Being News, Sustainability, Careers, FAQ, and Contact Us. The main content area features a large banner for National Nutrition Month with the headline "Did You Know? There are more than 10,000 varieties of tomatoes." Below the banner is a "Headlines" section with a featured article titled "For Students and Parents, Sodexo proud to join the Academy of Nutrition and Dietetics during March in celebrating National Nutrition Month." To the right, there is a "QUICK LINKS" section with items like Sodexo Blogs, Career Opportunities, Choose My Plate, Let's Move, Child Nutrition USDA, Eat Right by the Academy of Nutrition and Dietetics, and Featured Recipes. Further down, there are sections for "balance mind, body and soul", "WELCOME TO LIFE'S PLAYGROUND", "SPORTS & NUTRITION", and "fresh pick for better health".

Callout boxes highlight the following features:
