NOTICE TO PARENTS

ANNUAL NOTIFICATION TO PARENTS REGARDING QUALIFICATIONS OF TEACHERS

TO: All parents of students enrolled in the Northgate School District

FROM: Dr. Caroline Johns, Superintendent

DATE: July 2017

As a parent of a student attending the Northgate School District, you have a right under federal law to request information about the professional qualifications of the classroom teacher(s) who instruct your child. The Every Student Succeeds Act of 2015 gives you the right to ask for the following information and requires the District to provide the following information in a timely manner if you ask for it:

- X Per section 1111(g)(2)(J) of ESEA, as amended by ESSA, all teachers teaching in a program supported with Title I funding must meet appropriate state certification and licensure requirements, including any requirements for certification obtained through alternative routes to certification.

All teachers in the Northgate School District are and have been appropriately certificated even prior to this requirement, and have been reported to the Pennsylvania Department of Education as highly qualified. If you would like to receive any of this information, please submit a request in writing to my office: Mrs. Caroline Johns, Northgate Administrative Office, 591 Union Avenue, Pittsburgh, PA 15202.
